## Charles E. Reiter III

### Representative Matters

Successfully mediated a multi-million dollar, technically complex, healthcare operations contractual dispute between a health system and a national consulting company.

Led the development of a clinically integrated network for a community hospital, conducted continuing medical education for physician members and negotiated managed care contracts for the new entity.

Created a self-insurance and claims management program for a hospital and its employed medical professionals.

Advised a not-for-profit corporation board of directors on governance best practices.

Worked with trial counsel and insurance carriers to develop a strategy to defend a catastrophic injury lawsuit.

Defended successfully an individual scientist named in a lawsuit filed against a university by the physician who was the subject of a research misconduct investigation.

Wrote amicus briefs in the U.S. Supreme Court and Illinois Supreme Court.
